I. Title of Proposal

Capital Projects Coordination

II. Relationship to RIPRAP:

General Recovery Program Support Action Plan: VII. Provide Program Planning and Support (Program Management)

III. Study Background/Rationale and Hypotheses: NA

IV. Study Goals, Objectives, End Product:

Capital Project Coordination funds are used to manage, monitor and implement the Colorado River Recovery Program Capital Projects. Funds will be utilized by participating Reclamation Offices (Upper Colorado Regional Office, Eastern Colorado Area Office, Provo Area Office and Western Colorado Area Office) staff engaged in general program management, monitoring and implementation activities not specifically related to a Capital Project scope of work. Products/activities will consist of:

- 1) Manage, monitor and modify the 15 Cooperative Agreements with various agencies that are necessary to transfer funds for Capital Projects to the cooperating agencies.
- 2) Monthly accounting of actual charges to the program. This includes ensuring all charges are associated with the correct project.
- 3) Purchase supplies and materials for the capital program.
- 4) Updating the overall cost estimate for the capital program.
- 5) Preparing budget justification documents for Reclamation's budget request.
- 6) Respond to Interior and OMB questions regarding budget requests.
- 7) Prepare tri-annual reports on the status of Capital construction programs.
